To Whom it May Concern,

As the Minority Leader of the Utah House of Representatives, I am committed to supporting fair and forward-thinking immigration policies. I am writing to express my strong support for the Venezuelan Adjustment Act (H.R. 1348).

This bipartisan legislation seeks to grant permanent residency to Venezuelan nationals who have been present in the United States since before December 31, 2021. Many of these individuals entered the country lawfully and have since become valued members of our communities. They are professionals, entrepreneurs, students, and workers who have contributed meaningfully to our economy, social fabric, and civic life.

In light of recent policy shifts and enforcement measures disproportionately affecting this population, the passage of H.R. 1348 is both timely and essential. It presents a practical solution that aligns with American values and reinforces our nation's commitment to justice and inclusion.

I proudly endorse this legislative effort and urge my colleagues and fellow public servants to support its swift passage.

Sincerely,
