To Whom It May Concern:

As the Utah State Senate Minority Leader, I am writing to express my strong support for the Venezuelan Adjustment Act (H.R. 1348).

This bipartisan legislation seeks to grant permanent residency to Venezuelan nationals who have been present in the United States since before December 31, 2021. Many of these individuals entered the country lawfully and have since become valued members of our communities.

I am proud to support the Venezuelan community and their cultural and economic contributions to the state of Utah. Considering recent policy shifts and enforcement measures affecting this population, the passage of H.R. 1348 is both timely and essential. It presents a practical solution that aligns with American values and reinforces our nation's commitment to justice and inclusion.

I endorse this legislative effort and urge my colleagues and fellow elected officials to support its passage.

Sincerely,

Senator Luz Escamilla
Minority Leader
Utah Senate District 10
